Free Alternator & Starter Diagnostic Testing

Ranger Land Systems will test your equipment and provide estimated cost of repair. We strive to repair your alternators and starters at 50% of the AMDF price. We back our work with a one year warranty. Your alternators and starters will be good as new, both in performance and looks. We want to be a one stop shop for you and keep it simple and cost effective. Contact us and we will arrange shipment, diagnostic testing and contact you with the repair cost. Government credit card (IMPAC) is method of payment.
